## **WILD WEST SHOW**

FSR's 24th Annual family fun filled Ride-a-Thon on Saturday, August 23<sup>rd</sup> will feature old time Wild West fun by Renegade Rangers. The show will have a congress of roughriders. You will see turn of the century cowboys, half-breeds, Russian Cossacks and assorted roughriders demonstrate their riding skills. Riders will compete against each other as they perform a series of old time tasks on and off horseback, pony express relay and robbery along the trail. Ivan the Black will showcase the sword and lancing skills of the Cossacks. Plus, a whole lot more. If you like the Old West, you'll love this family-oriented tribute to a bygone era.

---

Participants in our Family Friendly Ride-A-Thon are responsible for collecting all pledges for their participation **in advance** and turning in pledge sheets and money the day of the event at the registration area. When calculating prizes, awards will be based on the amount turned in on or by the date of the Ride -A-Thon.

### **NEW THIS YEAR!**

We are asking participants, volunteers and families to raise pledges for their favorite horse, instead of for riding a horse on the day of the Ride-a-Thon event. We ask pledge raisers to ask for pledges to help meet the on-going expenses of the horses. We will be honoring our family friendly Ride-a-Thon by having the classes ride the trails the week before the Ride-a-Thon, weather permitting.
