

November 2016

**Dear Friend of Free SPIRIT Riders:**

Free SPIRIT Riders, Inc. began serving 6 individuals in 1987 and has grown to 77 participants per week in 2016 in our therapeutic horsemanship program. Our participants come to us through referrals from special education professionals at schools, physicians, physical and occupational therapists and word of mouth, most often through our riders and their families. Please consider making a donation to help sustain our programs. You can make a contribution by mailing a check in the enclosed envelope.

**What can your contribution do for Free SPIRIT Riders?**

- Provide ridership funds. Our policy is to never turn away a participant for lack of funds. Some of our families face tremendous financial hardships. Your support can help ensure everyone can benefit from our programs.
- Provide feed, vet, and farrier costs. Our equine angels work hard and most require special diets and treatment, they need a little extra TLC.
- Allow program expansion. Free SPIRIT Riders's future needs/dreams include an insulated arena for year round programming and expansion of our sensory integration trails around the pond on our property.
- Pay it forward with a gift for the future of Free SPIRIT Riders, Inc. As Free SPIRIT Riders continues to plan for the future, we need your help. Please consider including Free SPIRIT Riders in your estate planning to create a legacy which will benefit future generations. By bequeathing a gift, financial assets or personal property, you will leave your legacy to live on.
- A gift through your Will can enable you to make a legacy for others' future. A Will is an important document that protects you and your family and should be updated regularly. An update is an opportunity to include a charity like Free SPIRIT Riders, Inc. in your Will. If you have questions on how to include Free SPIRIT Riders in your estate planning, contact Mary Narges at [info@FreeSPIRITRiders.org](mailto:info@FreeSPIRITRiders.org).

Please consider remembering Free SPIRIT Riders with a donation, large or small. Help keep the miracles happening at Free SPIRIT Riders, Inc.! Thank you for your gift.

Sincerely,  
Free SPIRIT Riders Board of Directors:

**EVERY RIDER'S SUCCESS COUNTS ON YOU BEING PART OF THE MISSION AND THE MIRACLES!**
